

Let Keeler loupes take the strain

Keeler loupes are comfortable to wear and work with, helping to reduce eyestrain. By bringing your patients closer, you can improve your posture and avoid stooping.

Patient comfort

Patients will feel more comfortable and at ease with increased personal space as you will work from a greater distance.

XL Advantage system

Delivering 3.5x, 4.5x and 5.5x magnification.

Higher magnification for advanced surgical procedures. Prismatic quality guarantees a true image. Edge to edge clarity and precise colour rendition is ideal for intricate applications. The XL's precision lenses are treated with an anti-reflective coating to produce a superior image.

XL Advantage system

Multiple magnification levels

Keeler loupes offer performance matched to your requirements. Multiple magnification levels enable you to see more, spot problems earlier and offer even higher levels of precision treatment.
